This position will provide the right candidate a strong foundation of SEO and Online Marketing and equip them with highly sought after skills in search marketing.

### ***Job Requirements & Responsibilities:***

- Research keywords for shopping categories and help maintain a database of keywords, categories and relevant data for each.
- Research and write product specific posts for category specific blogs on Become.com
- Knowledge and ownership of key paid search business performance metrics; revenue per visitor, conversion rates and overall revenue
- Writing unique and engaging product descriptions for products
- Optimizing product titles for search
- Identifying hot products using internal company tools.
- Monitoring and reporting metrics for SEO
- Researching and evaluating links through several channels
- Conducting competitive search marketing analysis

### ***Qualifications & Experience:***

- AA or BA/BS from an accredited university, or pursuing a degree in engineering, marketing, mathematical, science, or other highly quantitative discipline
- Ability to prioritize tasks and manage deadlines in a fast-paced environment.
- Basic knowledge of HTML is required
- Experience working with wordpress (blog platform) a plus
- Experience working with content management systems a plus
- Excellent communication skills
- Experience and comfort in working in a team environment
- Positive attitude and enthusiasm for getting results
- SEO operations experience a plus
- This position requires a 3 month commitment from the candidate, any special circumstances are subject to negotiations

Become.com is a powerful product search engine and comparison shopping service that helps people make better buying decisions and purchases online by searching over five billion web pages and using its patent-pending AIR™ (Affinity Index Ranking) search technology. Founded in 2004 by industry pioneers Michael Yang and Yeogirl Yun, creators of MySimon, Become.com received \$17.5 million from TPG Growth and an additional \$8 million from European Founders Fund in 2008 to facilitate aggressive growth internationally and expand into new businesses. With over 25 million products and 5000 merchants, Become.com provides the Web's most robust and easy to use combination of relevant product research and comparison shopping. Please visit us at [www.become.com](http://www.become.com).

For immediate consideration, please send your resume in Word or PDF format with “**Web Intern**” as subject line to [desiree@become.com](mailto:desiree@become.com). This internship pays \$12.50 per hour.
